WE ARE AUDITED AND CERTIFIED BY

ACCORD

The Accord is an independent agreement designed to make all garment factories in Bangladesh safe workplaces. It includes independent safety inspections at factories and public reporting of the results of these inspections. Where safety issues are identified, retailers commit to ensuring that repairs are carried out, that sufficient funds are made available to do so, and that workers at these factories continue to be paid a salary. The Accord is a legally binding agreement. It has been signed by over 150 apparel corporations from 20 countries in Europe, North America, Asia and Australia; two global trade unions, Industrial and UNI; and numerous Bangladeshi unions. Clean Clothes Campaign, Worker Rights Consortium, International Labor Rights Forum and Maquila Solidarity Network are NGO witnesses to the Accord.

ID No. 9857

Alliance for Bangladesh Worker Safety

The Alliance for Bangladesh Worker Safety was founded by a group of North American apparel companies and retailers and brands who have joined together to develop and launch the Bangladesh Worker Safety Initiative, a binding, five-year undertaking that will be transparent, results-oriented, measurable and verifiable with the intent of improving safety in Bangladeshi ready-made garment (RMG) factories. Collectively, these Alliance members represent the overwhelming majority of North American imports of RMG from Bangladesh, produced at more than 650 factories.

ID No: 10091

Business Social Compliance Initiative (BSCI)

The Business Social Compliance Initiative is a leading business-driven initiative for companies committed to improving working conditions in factories and farms worldwide. We unite more than 1200 companies around a development-oriented system applicable to all sectors and sourcing countries.

DBID NO. 2804

Supplier Ethical Data Exchange (SEDEX)

Sedex, the Supplier Ethical Data Exchange, is a not for profit membership organization dedicated to driving improvements in responsible and ethical business practices in global supply chains.

INTRODUCTION

MEEK SWEATER LTD. is a 100% export oriented sweater manufacturer in Bangladesh. The factory is located at Gazipura within 08 kilometers southeast from Dhaka International Airport. The factory setup is in a newly built building.

The line of production designed with knitting machines of 3, 5, 7 and 12 gauges that assured yearly production capacity of around 1,60,000 Dzns. The factory is well equipped with modern machinery. The list of machineries shown in following pages. The main products of this company are all kinds of sweater like pullover, cardigan, vest and others for Men, Women and Children. Our first priority is to deliver the best quality product in time. It is socially compliant Factory.

Declaration

We strictly maintain our commitment and follow 3Q policy : Quality first, Quality last and Quality always (QQQ). It may be mentioned that from the day one, our management very conscious about the COMPLIANCE requirement of today.

Speciality

- # Our knitting machines are V- raising with fashion. And productivity will be higher than others.
- # All knitting machines are MMS type (Auto colour change)
- # To maintain quality and on time shipment we keep our finishing capacity bigger then knitting and linking capacity.
- # Our price always competitive.

Experience :

Our management teams are highly experienced about sweater department. Details are as follows:

- a) Managing Director (M.A. Mannan) : 32 years working experience on sweater.
 - b) Chairman (Anupam Dey - Raju) : 25 years working experience on sweater.
- (N.B : We have 5-18 years experienced merchandising team.)

Considering the above we are confident that the plant will be right choice of Sweater Sourcing from Bangladesh. Our door is open for all respected buyers and importers to visit the plant and enquiry small or big will be timely attended by our well experienced professional team.
